Commissioner for Patents

The 1449 dated 3/12/02 and date dstamped 3/15/02 is corrected and included

Section 3 of the Examiner's Answer should read:

The statement of the status of claims contained in the brief is incorrect. Due to a typographical error claim 40 was not rejected. The subject matter of claim 40 has clearly been rejected in previous Office Actions. It is the position of the Examiner that the claims would have been rejected in any of the previous Office Actions, and is now rejected.
